Pollock Pines Elementary School District (PPESD) is seeking applicants for the Local Control and Accountability Plan (LCAP) Committee. The purpose of this committee is to provide feedback to the district from stakeholder groups about the Local Control and Accountability Plan (LCAP). The District is required to consult with its school employees, local bargaining units, parents and students. In addition to these stakeholders, we wish to include representatives from already established district groups such as PTC, Measure K Community Oversight Committee, Sports Boosters, etc.

Once selected, the LCAP Committee will be requested to review the PPESD 2014-2015 Local Control Accountability Plan. The District is required to describe the action we will take in 2014-2015, 2015-2016, and 2016-2017 in order to meet annual goals for all pupils. These activities must address state and local priorities as identified in Ed Code Section 52060(d). The state priorities identified are (1) Basic Services, (2) Implementation of Common Core State Standards, (3) Parental Involvement, (4) Student Achievement, (5) Student Engagement, (6) School Climate, (7) Course Access and (8) Other Student Outcome. The PPESD 2014-2015 Local Control and Accountability Plan Committee dates of service will range from March to May 2014. The meeting dates are listed on page two of this application.
