Call to Order
The meeting was called to order at 6:47 p.m. by President Tom Griffin in Room B-1 at the Emigrant Trail Educational Center.

Members Present
Tom Griffin
J. Dennis Cullen
Dean Smith
Cindy Stetler

Board member Romana Blanton died September 27, 2008, following a brief illness.

President Tom Griffin opened the meeting by asking all those present to join him in recognizing an empty seat at the table. On behalf of the Board, Mr. Griffin thanked Romana Blanton for her service to the district, particularly to the students, and a minute of silence was observed in her memory.

Adoption of Agenda
It was moved by Mrs. Stetler, seconded by Mr. Cullen, to adopt the agenda. Motion unanimously carried.

Approval of Minutes
It was moved by Mr. Cullen, seconded by Mr. Smith, to approve the Minutes of the Regular Board Meeting of September 9, 2008. Motion unanimously carried.

Public Comment
Kris Schultz, Pollock Pines Teachers Association President, thanked Superintendent Spencer for arranging to have a STRS representative visit our district to offer benefits counseling for interested certificated staff members. Twenty-four teachers participated in counseling interviews with a resulting savings in both their time and substitute time. The opportunity and information were very much appreciated.

Presentations and Hearings
Presentation - AVID
Leeann Stewart, 8th Grade AVID (Advancement Via Individual Determination) teacher and program coordinator, presented an overview of the AVID program. Fliers describing the program were distributed. El Dorado High School and Union Mine High
School also participate in this program, which requires one full period of the daily curriculum, targets the average student with a grade point average of 2.0 – 3.5, and helps students build a long range plan with the goal of eligibility for any four-year college or university upon graduation from high school. Students must meet AVID enrollment guidelines and apply for admission in the program. At Sierra Ridge, there are currently thirty-one 8th grade students and thirty 7th grade students enrolled in the program. Field trips are required for certification of the program, and Mrs. Stewart and Mrs. McGaughey, the 7th grade AVID teacher, are investigating possible sources for field trip funding.

Finance and Business

Approval - Change Order

It was moved by Mr. Cullen, seconded by Mr. Smith, to approve the Change Order from Benchmark General Engineering, Inc. in the amount of $3,500 for the Emigrant Trail Educational Center: Drainage Improvements project. Motion unanimously carried.

Approval - Contract Award for Playground Safety Surfacing Project

It was moved by Mrs. Stetler, seconded by Mr. Smith, to award the contract for the Playground Safety Surfacing Project to the low bidder, TMC Construction, in an amount not to exceed $173,173.77, with authorization for the Superintendent and Chief Fiscal Officer to sign the construction contract and all required project documents. Motion unanimously carried.

Approval - Agreement Regarding Allocation of School Mitigation Fees

It was moved by Mr. Cullen, seconded by Mr. Smith, to approve the Agreement Regarding Allocation of School Mitigation Fees for July 1, 2009 to June 30, 2012. Motion unanimously carried.

Adoption - SELPA Local Plan Revisions

Districts who are members of the El Dorado County SELPA are being asked to approve revisions in the Local Plan regarding executive committee membership and transportation billing. It was moved by Mr. Smith, seconded by Mrs. Stetler, to adopt the recommended revisions of the Local Plan for the El Dorado County SELPA. Motion unanimously carried.

Adoption - Resolution 2008-2009-05

CFO Sean Martin reported that providing coverage for volunteers under the district’s workers’ compensation insurance is an important component of risk management. There is no cost to the district for this expanded coverage, although a claim from an injured volunteer might increase the district’s workers’ compensation insurance rates in the future. However, the increased rate cost would be significantly less than the cost for any litigation which might follow the injury of a volunteer with no
workers’ compensation coverage in effect. All the big school districts have established this type of coverage.

It was moved by Mr. Cullen, seconded by Mr. Smith, to adopt Resolution 2008-2009-05, Relating to Volunteer Services Insured by Workers’ Compensation Insurance Coverage. Motion passed with four Ayes, and zero Noes.

Report -
Effects of Adopted State Budget on District Budget

Chief Fiscal Officer Sean Martin reported that the adopted state budget includes a deficed COLA of 0.6852% for our district, with no COLA provided for Special Education funding. Since the Special Education program is already significantly under-funded, this will further increase the general fund contribution required. Funding for deferred-mandate claims has been deleted, and current-year mandates are significantly under-funded. Categorical programs, including Class Size Reduction, will receive flat funding from 2007-08; however, if there are mid-year cuts, there could be a greater impact on them. It appears as though Forest Reserve Funding has been extended through 2011.

School districts are advised to begin now to develop contingency plans for the possibility of mid-year budget reductions. Districts are also advised to plan for no COLA in 2009-10 and to maintain reserves beyond the minimum.
