Superintendent’s Reports, Announcements, and Communications

The Superintendent reported on the following:

- Enrollment – District enrollment is down 22 students since CBEDS in October. We have lost four students since January’s Board meeting. Current enrollment is 697.
- Community Meetings – The first community meeting to discuss a single bus run and common site start times was held February 4. Three community members attended, and the discussion was positive. The second community meeting will be held Thursday, February 11, 7:00-8:00 p.m., in the Board Room.
- Meeting with Jon Isom – An independent financial advisor to California school districts, Jon Isom, will meet with the superintendent and two board members, Dennis Cullen and Tom Griffin, Friday, February 12.
- El Dorado County Board of Education – Each El Dorado County School District Superintendent makes an annual presentation to the El Dorado County Board of Education. It was our district’s turn today. A slide show introducing Pinewood and Sierra Ridge campuses was presented. The first thing Board members wanted us to know is how astounded and pleased they are with our budget. Our district is in the best shape of any school district in the county. Budgetary issues were discussed, and they enjoyed the slide show. It was a very pleasant time with them.
- CEDAPP Business Directory – The district has received an invitation to buy a listing and additional advertising space in the
CEDAPP Business Directory. After a short discussion, it was the general consensus of the Board members to purchase space for a half-page ad in addition to the business listing.
