Presentations and Hearings

Public Hearing – 2010-2011 Budget  Mr. Ussery opened the public hearing for the 2010-2011 budget. Chief Fiscal Officer Sean Martin stated that the majority of the district’s funding comes from taxes, putting it in Basic Aid Status. In Basic Aid Status, income is not affected by changes in enrollment. If enrollment increases, costs also increase, but income does not. Mr. Martin reviewed with the Board the Governor’s revised May budget proposal, Basic Aid tax revenue, and updated staffing:

- The Fair Share cut for Basic Aid districts was not included in the May Revise, acknowledging the deep drop in property tax revenues.
- Class Size Reduction and Tier III state categorical funds COLA was decreased by .38%.
- Revenues for taxes were budgeted down 2% based on countywide trend.
- Reduction of $5,600 was included for anticipated pupil attendance at EDCOE Charter program.

• Secretary time was reduced from 2.0 hours per day to .5 hour per day.

Mr. Martin also reviewed with the Board federal and state restricted programs, income, expenditure, and budget assumptions, components of the ending fund balance, multi-year projections, and a summary of anticipated revenues and expenditures of other funds for 2010-2011. The multi-year projection shows that the district has a balanced budget for 2010-2011, 2011-2012, and 2012-2013. However the district anticipates ongoing deficit spending in the unrestricted fund due to decreased restricted revenues, and possible adjustments to the district’s allocation of funding may be necessary.

There being no further questions or comments, the public hearing was closed.

Board members questioned the validity of the STAR score report as it appeared in an article published recently in the Mountain Democrat. Superintendent Spencer reminded them that the scores as reported were invalid and would have been better left out of the report coming from the El Dorado County Office of Education, as they did not serve any positive purpose. A short discussion followed.
