As required by law (Education Code Sections [EC] 48980 - 48985), you are hereby notified of the following:

1. Absence for Religious Exercise:
   With the written consent of their parents or guardians, pupils may be excused from school for religious purposes at a place away from school property and after the pupil has attended school for a minimum day [EC 46014].

2. Grade Reduction:
   No pupil may have his or her grade reduced or lose academic credit for any absence or absences excused pursuant to EC 48205 when missed assignments and tests, that can reasonably be provided, are satisfactorily completed within a reasonable period of time [EC 48980(i)]. (Full text of EC 48205 Attachment -1)

3. Individualized Instruction Due to Temporary Disability:
   A pupil with a temporary disability shall be cause for a pupil to receive individual instruction [EC 48206.3 et. seq.].

4. Notification of Minimum and Pupil Free Staff Development School Days:
   The schedule of minimum days and pupil free staff development days for schools within the District/County Office of Education (COE) is attached (Attachment – 2). Parents/guardians will be notified of minimum days and pupil-free staff development days not yet scheduled at least one month before the scheduled minimum or pupil-free day [EC 48980(c)].

5. Residence When Hospitalized:
   Notwithstanding compulsory education requirements, a pupil with a temporary disability who is in a hospital or other residential health facility, except for a state hospital, which is located outside of the school district in which the pupil’s parent/guardian resides, shall be deemed to have complied with the residency requirements for school attendance in the school district in which the hospital is located. It shall be the primary responsibility of the parent/guardian of a pupil with temporary disability to notify the school district in which the pupil is deemed to reside of the pupil’s presence in a qualifying hospital [EC 48207; 48208].

6. Required Pupil Immunization:
   School districts shall not unconditionally admit any student to a district elementary or secondary school, preschool, or childcare and development program for the first time nor, after July 1, 2016, admit or advance any student to the 7th grade level unless the student has been fully immunized. The student shall present documentation of full immunization, in accordance with the age/grade and dose required by the California Dept. of Public Health and Health and Safety Code Section 120335 [H.&S.C. 120335].

7. Immunization for Communicable Disease:
   The school district, while cooperating with the local health officer, may permit a licensed physician and surgeon or other statutorily authorized health care practitioner to immunize pupils for a communicable disease with the written consent of a parent for a licensed physician and surgeon or health care practitioner [EC 49403].

8. Administration of Medication:
   Medication prescribed for a child to be administered during the regular school day may be assisted by a school nurse or other designated school personnel if the school district receives a written detailed statement from the physician and surgeon or physician assistant and a written parental request. Pupils may carry and self-administer prescription auto-injectable epinephrine or inhaled asthma medication provided that written orders from the physician and surgeon or physician assistant (including a statement that the pupil is able to self-administer such medication), and written parental consent to the self-administration (including a release allowing a school nurse or other designated school personnel to consult with pupil’s health care provider about the medication, and releasing the school district and school personnel from potential civil liability) [EC 49423; 49423.1].

9. Continuing Medication:
   A pupil is required to inform the District/COE of any medication being taken, the current dosage, and the name of the supervising physician if the pupil is on a continuing medication regimen for a non-episodic condition. The school nurse may communicate with the physician and may counsel with the school personnel regarding the possible effects of the drug on the child’s physical, intellectual, and social behavior, as well as possible behavioral signs and symptoms of adverse side effects, omission, or overdose if provided consent by the pupil’s parent or legal guardian. [EC 49480].

10. Physical Examinations:
    Every child shall, within 90 days after entrance into the first grade, provide a certificate signed by a physician documenting that within the prior 18 months the child has received the appropriate health screening and evaluation services, unless the parent/guardian has filed a written objection with the District/COE. However, a child may be excluded from attendance if, for good reason, he/she is believed to
be suffering from a recognized contagious or infectious disease and shall not be permitted to return until the school authorities are satisfied that any contagious or infectious disease does not exist. Free health screening is available for low income children for up to 18 months prior to entry into first grade. Parents are encouraged to obtain required health screenings simultaneously with required immunizations [H.&S.C. 124085; 124105; EC 49451]. Specific information on type 2 diabetes is available at www.cde.ca.gov/ls/he/hn/type2diabetes.asp. It is recommended that students possibly suffering from type 2 diabetes or having warning signs should be screened [EC 49452.7].

11. Health Assessments and Evaluations:
Vision and hearing screening for a pupil by the school nurse or other qualified individual is provided during selected grade levels. A pupil whose first enrollment or entry occurs in grade 4 or 7 shall not be required to be appraised in the year immediately following the pupil’s first enrollment or entry. Scoliosis screening may be provided to girls in grade 7 and boys in grade 8. By May 31 of the school year, pupils when first enrolled in public schools are required to provide proof of an oral health assessment (within 12 months prior to enrollment) by a licensed dentist or other licensed or registered dental health professional [EC 49452; 49452.5; 49454; 49455].

Any pupil, while enrolled in kindergarten, or while enrolled in first grade if the pupil was not previously enrolled in kindergarten, unless excused, must present proof no later than May 31 of the school year of having received an oral assessment by a licensed dentist or other licensed or registered dental health professional. The assessment must be performed no earlier than 12 months prior to initial enrollment of the pupil. Parents/guardians of such pupils will be notified of this assessment requirement [EC 49452.8].

12. Medical and Hospital Services:
The District/COE may provide or make available medical and/or hospital services for pupils injured at school or school-sponsored events or while being transported to same [EC 49472]. 13. Student Nutrition Program:
Free or reduced-price meals may be available upon application to students receiving public assistance [EC 49500 et. seq.; 49510 et. seq.].

14. Pupil Records:
Parents have a right to access all records relating to their children. The procedure used by the District/COE regarding the establishment and maintenance, transfer, access, challenge, and modification of pupil records is available to parents upon request [EC 49063; 49069.7; 49070]. Certain directory information concerning pupils is also available to individuals other than parents [EC 49073]. (Attachment – 3)

Upon written request from the parent, the District/COE will withhold directory information about the student.

15. District/COE Pupil Discipline Rules:
The rules used by the District/COE pertaining to student discipline are available to all parents upon request [EC 35291]. The rules may require that the parent of a pupil who has been suspended may be required to attend a portion of a school day in the child’s classroom [EC 48900.1].

16. Nondiscrimination:
The District/COE does not discriminate on the basis of disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, age, immigration status, actual or potential parental, family, or marital status, pregnancy, childbirth, false pregnancy, termination of pregnancy, or recovery therefrom, or association with a person or a group with one or more of these actual or perceived characteristics, in any of its policies, practices, or procedures, programs or activities, in compliance with Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973 and the Age Discrimination Act of 1975, and related laws and regulations [EC 200; 221.51]. This nondiscrimination policy covers admission and access to, and treatment and employment in, District/COE programs and activities, including vocational education. Inquiries regarding the equal opportunity policies, the filing of grievances or complaints, or to request a copy, free of charge, of the procedures covering discrimination complaints may be directed to the District/County Superintendent of Schools, the District Title IX Coordinator, or the Office of Civil Rights, as appropriate. The lack of English language skills will not be a barrier to the admission and participation in District/COE programs. The District’s Title IX Coordinator may be contacted at patkins@ppesd.org.

17. Services to Students Who are Deaf, Hard of Hearing, Blind, Visually Impaired, or Deaf-Blind:
Services are provided by the State Special Schools. Assessment services and technical assistance are also offered. 19. **Residency Requirements-School Attendance Options:**
A pupil complies with the residency requirements for school attendance in a school district, if he or she is any of the following:

- A pupil who is a child of a military family pursuant to EC 48204.6;
- A pupil placed within the boundaries of that school district in a regularly established licensed children’s institution or a licensed foster home as defined in EC 56155.5 or a family home pursuant to a commitment or placement under Chapter 2 (Section 200) of Part 1 of Division 2 of the Welfare and Institutions Code;
- A pupil who is a foster child who remains in his or her school of origin pursuant to EC 48853.5(f) and (g);

- A pupil whose residence is located within the boundaries of that school district and whose parent or legal guardian is relieved of responsibility, control, and authority through emancipation;
- A pupil who lives in the home of a caregiving adult that is located within the boundaries of that school district. Execution of an affidavit under penalty of perjury pursuant to Part 1.5 (Section 6550) of Division 11 of the Family Code by the caregiving adult is a sufficient basis for a determination that the pupil lives in the caregiver’s home, unless the school district determines from actual facts that the pupil is not living in the caregiver’s home;
- A pupil residing in a state hospital located within the boundaries of that school district;
- A pupil whose parent or legal guardian resides outside of the boundaries of that school district but is employed and lives with the pupil at the place of his or her employment within the boundaries of the school district for a minimum of three days during the school week;
- Once a pupil is deemed to have complied with the residency requirements for school attendance pursuant to this subdivision and is enrolled in a school in a school district the boundaries of which include the location where at least one parent or the legal guardian of a pupil is physically employed, the pupil does not have to reapply in the next school year to attend a school within that school district and the governing board of the school district shall allow the pupil to attend school through grade 12 in that school district if the parent or legal guardian so chooses and if at least one parent or the legal guardian of the pupil continues to be physically employed by an employer situated within the attendance boundaries of the school district, subject to EC 48204 (b)(2) to (7), inclusive.

A school district may deem a pupil to have complied with the residency requirements for school attendance in the school district if at least one parent or the legal guardian of the pupil is physically employed within the boundaries of that school district for a minimum of 10 hours during the school week.

20. **Notice of Alternative Schools:**
California law authorizes all school districts to provide for alternative schools [EC 58501] (Attachment - 4).

21. **Excuse from Sexual Health Education, HIV Education and Related Assessments:**
Parents or guardians of a pupil have the right to excuse their child from all or part of comprehensive sexual health education, HIV prevention education, and assessments related to that education through a passive consent (“opt out”) process. In order to excuse your child, the request must be made in writing to the school district [EC 51938]. You are hereby notified that:

- Educational materials used in comprehensive sexual health education and HIV prevention education are available for inspection.
- Comprehensive sexual health education or HIV prevention education will be taught by school district personnel and/or by outside consultants.

You have a right to request a copy of EC Part 28, Chapter 5.6 – California Healthy Youth Act.

22. **Pregnant and Parenting Students:**
The District/COE will not exclude nor deny any pupil from any educational program or activity, including class or extracurricular activity, solely on the basis of the pupil’s pregnancy, childbirth, false pregnancy, termination of pregnancy, or recovery therefrom [EC 221.51; 222.5; 46051]. Pregnant and parenting pupils are entitled to the following:

- Have their pregnancy, childbirth, false pregnancy, termination of pregnancy, and recovery therefrom treated in the same manner and under the same policies as any other temporary disabling condition;
- Provided with eight weeks of parental leave, (or more if medically necessary) which the pupil may take before the birth of the pupil’s infant if there is a medical necessity and after childbirth during the school year in which the birth takes place, inclusive of any mandatory summer instruction, in order to protect the health of the pupil who gives or expects to give birth and the infant, and to allow the pregnant or parenting pupil to care for and bond with the infant;
- Return to the school and the course of study in which he or she was enrolled before taking parental leave and opportunities to make up work missed during his or her leave, including, but not limited to, makeup work plans and reenrollment in courses;
- Remain enrolled for a fifth year of instruction in the school in which the pupil was previously enrolled when it is necessary in order for the pupil to be able to complete state and any local graduation requirements, unless the District/COE makes a finding that the pupil is reasonably able to complete the local educational agency’s graduation requirements in time to graduate from high school by the end of
the pupil's fourth year of high school;
Provided with alternative education options should the pupil decide not to return from leave; and
Not incur an academic penalty as a result of his or her use of the accommodations.

A complaint for noncompliance may be filed under the District/COE's Uniform Complaint Procedures. [See Paragraph 25].

23. Uniform Complaint Procedures “UCP”:
The District/COE maintains a uniform complaint procedure for investigating complaints of: (1) discrimination on the basis of, but not limited to, age, sex, sexual orientation, ethnic group identification, race, ancestry, national origin, religion, color, pupil parenting or pregnancy and/or childbirth, or mental or physical disability; (2) complaints of violations of the laws and regulations governing consolidated categorical aid programs, Adult Education, Career/Technical Education, Child Development, Special Education and Nutrition services; (3) impermissible pupil fees [EC 49010-49013]; and/or (4) violation of state and/or federal law. The District/COE has designated compliance officers to receive and investigate uniform complaints that fall within these categories and ensure compliance with law.

Any individual, public agency, or organization may file a written complaint. Complaints alleging unlawful discrimination shall be initiated not later than six months from the date the alleged discrimination occurred, or the date the complainant first obtained knowledge of the facts of the alleged discrimination. Copies of the complaint form are available from the school or District/COE office. After filling out the complaint form, it should be directed to the District/COE compliance officer, Pat Atkins, Superintendent. The compliance officer will investigate the complaint and provide a written report of the investigation and decision within 60 calendar days.

If dissatisfied with the District’s/COE’s decision, the complainant may also appeal in writing to the California Department of Education (CDE) within 15 days of receiving the District’s/COE’s decision.

A complainant may seek assistance from mediation centers or public/private interest attorneys. Civil law remedies that may be imposed by a state or federal court include, but are not limited to, injunctions and restraining orders. In a complaint of unlawful discrimination, complainant may seek civil law remedies no sooner than 60 days from the filing of an appeal with CDE, except that such time limitation does not apply to injunctive relief.

Additionally, any individual, public agency, or organization may file complaints about specified situations pertaining to instructional materials, emergency or urgent facilities conditions that pose a threat to the health and safety of pupils or staff, and teacher vacancies or misassignments. Such complaints ("Williams Complaints") are subject to a different complaint procedure. A complaint may be filed anonymously.

For more information concerning the filing of uniform complaints, copies of the Board Policies and Administrative Regulations pertaining to these complaint procedures are available upon request at the school or District/COE offices free of charge, or on the District/COE website at PPESD.org (Attachment – 5)

24. Sexual Harassment Policy:
Reports of alleged pupil sexual harassment in violation of District/COE policy or federal or state law will be handled pursuant to the attached policies and procedures established by the District/COE. The District/COE shall be responsible for providing written procedures regarding the process for reporting, investigating, and resolving such complaints [EC 48980(f), 212.5, 231.5]. (Attachment - 6)

25. School Accountability Report Card:
On or before February 1 of each year, parents are entitled to an updated hard copy of the School Accountability Report Card, which is available upon request [EC 35256].

26. Curriculum:
The curriculum, including titles, descriptions, and instructional aims of every course offered by a public school shall be compiled at least once annually in a prospectus. The prospectus is available for review upon request and for copying at a reasonable charge [EC 49091.14; 49063(k)].

The names of all pesticide products expected to be applied at the school site during the upcoming year are set forth on the attached list. Information on pesticides and pesticide use reduction developed by CA Dept. of Pesticide Regulation is available at www.cdpr.ca.gov/schoolipm. You may register with the school site if you wish to receive notification of individual pesticide applications at the school site. You have the right to view a copy of the school site plan in the school office or https://ppesd.org/MO [EC 17612, 48980.3]. (District Attachment - 7)
29. Asbestos:
You have the right to obtain an updated Management Plan for asbestos-containing material at your school site [40 CFR 763.93(g)(4); EC 49410 et. seq.].

30. Tobacco-Free Campus:
Contact the school for information about the District/COE’s tobacco-free campus policy, if any, and enforcement procedures [H.&S. 104420].

31. Statutory Attendance Options:
California law requires school districts to provide an education to any pupil who resides within the district’s attendance area. Although pupils have the right to a free, public education, the law does not guarantee that a pupil can attend the school of his or her choice, or even the neighborhood school.

Existing statutory attendance options include interdistrict transfer, Allen transfer, intradistrict transfer, open enrollment, ESSA and District of Choice. Parents/guardians should contact the District/COE regarding any and all enrollment options.

Interdistrict Transfer
A pupil may attend a school in a district other than the pupil’s district of residence pursuant to an interdistrict agreement between the district of residence and district of desired attendance. Each school district has adopted policies regarding interdistrict attendance. Parents/guardians wishing to enroll their pupil at a school district outside of their resident school district may obtain an application for interdistrict attendance transfer from the District/COE. Interdistrict transfer agreements must be approved by both the pupil’s school district of residence and the school district to which the pupil seeks to transfer. The agreement may include terms or conditions. It is within the authority of either the school district of residence or the receiving school district to revoke an interdistrict transfer/reciprocal agreement at any time for any reason the school district governing board or school district superintendent deems appropriate. If a request for an interdistrict transfer agreement is denied, the pupil’s parents/guardians may file an appeal to the county office of education in the pupil’s school district of residence within 30 days of receipt of the official notice of denial of the transfer.

Allen Transfer
Education Code section 48204(b) permits a school district to deem a pupil to have complied with the residency requirements for attendance if at least one parent or the legal guardian of the pupil is physically employed within the boundaries of that school district for a minimum of 10 hours during the school week. School districts within which at least one parent or the legal guardian of a pupil is employed are not required to admit the pupil to its schools. Once admitted the pupil may attend school in the district in which the parent or guardian is employed through grade 12 so long as the parent or guardian continues to be physically employed by an employer situated within the attendance boundaries of the school district, subject to certain conditions specified in EC 48204. As a resident, the pupil does not have to reapply for the transfer to be valid.

Intradistrict Transfer
An intradistrict transfer applies when parents/guardians wish to register/admit/enroll their pupil(s) at a school other than the designated school that is in their attendance area within their school district. Each school district shall adopt rules and regulations establishing a policy of open enrollment within the district for residents of the district. This requirement does not apply to a school district that has only one school or a school district with schools that do not serve any of the same grade levels. Education Code section 35160.5(b) permits parents to indicate a preference for the school that their child will attend, irrespective of the child’s place of residence within the school district.

To the extent required and financed by federal law and at the request of the pupil’s parent or guardian, each school district shall provide transportation assistance to the pupil [EC 35160.5 (b)(4)].

Open Enrollment
The Open Enrollment Act [EC 48350-48361] provides an option to pupils attending low-achieving schools within their “district of residence” to enroll in schools with higher Academic Performance Indices (API). The Superintendent of Public Instruction creates an annual list of schools subject to the provisions of the Open Enrollment Act. Parents/guardians of pupils attending any of these schools may apply for admission to a higher achieving school by January 1. The receiving school district (“district of enrollment”) may adopt specific standards for the acceptance and rejection of applications under this provision. These may include consideration of capacity issues as well as the potential adverse financial impact. While technically remaining law, the CDE has replaced the API.

Every Student Succeeds Act
Districts may provide alternative supports and public school choice.

Parents/guardians who are interested in finding out more about attendance and/or programmatic options should contact the District for more information on the District’s policies, procedures, and timelines for applying for transfers [EC 48980(h), 48660].
32. Electronic Notification:
This notice may be exclusively provided electronically provided a parent or legal guardian has so requested [EC 48981, 48985].

33. State Mandated Testing Waivers:
According to Education Code section 60615, if parents/guardians do not want their student to take all or part of the California Assessment of Student Performance and Progress System or other similar standardized test, they are required to submit a written request to the principal of their student’s school. The principal must have this letter prior to the start of each test. Parents/guardians are required to specify the test name in the letter.

34. Special Education:
Special Education programs are available to all eligible, disabled students, ages 0–22. If you have any reason to believe your child needs special education, please contact the Division of Special Education at patkins@ppesd.org or school site administration [EC 56301].

35. Foster and Homeless Youth, Pupils of Military Families, Former Juvenile Court School Pupils and Migratory Children:
Foster and homeless youth, former juvenile court school pupils, pupils of military families, currently migratory children, and newcomer program participants in his or her third or fourth year of high school, may be exempted from local graduation coursework requirements that are in addition to state graduation requirements unless the District/COE makes a finding that the pupil is reasonably able to complete graduation requirements in time to graduate from high school by the end of the pupil’s fourth year of high school. In addition to other requirements, the District/COE is required to accept coursework satisfactorily completed by a pupil in foster care, a pupil who is a homeless child or youth, a former juvenile court school pupil, a pupil who is a child of a military family, a pupil who is a migratory child, or a pupil participating in a newcomer program while attending another public school, a juvenile court school, a charter school, a school in a country other than the United States, or a nonpublic, nonsectarian school or agency even if the pupil did not complete the entire course and shall issue that pupil full or partial credit for the coursework completed. Eligible pupils shall not be required to retake a course if the pupil has satisfactorily completed the entire course in a public school, a juvenile court school, a charter school, a school in a country other than the United States, or a nonpublic, nonsectarian school or agency. If the pupil did not complete the entire course, the local educational agency shall not require the pupil to retake the portion of the course the pupil completed unless the local educational agency, in consultation with the holder of educational rights for the pupil, finds that the pupil is reasonably able to complete the requirements in time to graduate from high school. If partial credit is awarded the eligible pupil shall be enrolled in the same or equivalent course, if applicable, so that the pupil may continue and complete the entire course. An eligible pupil shall not be prevented from retaking or taking a course to meet the eligibility requirements for admission to the California State University or the University of California. A complaint for noncompliance may be filed under the District/COE’s Uniform Complain Procedures. [See Paragraph 25] [EC 51225.1 et. seq.]. Eligible students should contact the District/COE regarding specific qualifications and requirements.

36. Immigration, Citizenship Status, and Religious Belief:
Students are afforded an equal right to an education regardless of immigration status or religious beliefs. Additional information regarding your rights to an education can be found at oag.ca.gov/immigrant/rights [EC 234.7].

37. Employee-Pupil Code of Conduct:

38. Bullying:

38. Investing for Future Education:
Parents are advised of the importance of investing for higher education for students and considering appropriate investment options.

37. Earned Income Tax Credit Information Act:
Based on your annual earnings, you may be eligible to receive the Earned Income Tax Credit from the Federal Government (Federal EITC). The Federal EITC is a refundable federal income tax credit for low-income working individuals and families. The Federal EITC has no effect on certain welfare benefits. In most cases, Federal EITC payments will not be used to determine eligibility for Medicaid, Supplemental Security Income, food stamps, low-income housing, or most Temporary Assistance for Needy Families payments. Even if you do not owe federal taxes, you must file a federal tax return to receive the Federal EITC. Be sure to fill out the Federal EITC form in the Federal Income Tax Return Booklet. For information regarding your eligibility to receive the Federal EITC, including information on how to obtain the Internal Revenue Service (IRS) Notice 797 or any other necessary forms and instructions, contact the IRS by calling 1-800-829-3676 or through its website at www.irs.gov.

You may also be eligible to receive the California Earned Income Tax Credit (California EITC) starting with the calendar year 2015 tax year. The California EITC is a refundable state income tax credit for low-income working individuals and families. The California EITC is
treated in the same manner as the Federal EITC and generally will not be used to determine eligibility for welfare benefits under California law. To claim the California EITC, even if you do not owe California taxes, you must file a California income tax return and complete and attach the California EITC Form (FTB 3514). For information on the availability of the credit eligibility requirements and how to obtain the necessary California forms and get help filing, contact the Franchise Tax Board at 1-800-852-5711 or through its website at www.ftb.ca.gov.

38. **Mental Health Service:**
Parents/guardians may access available pupil mental health services on campus or in the community.
PPRA Model Notice and Consent/Opt-Out for Specific Activities

The Protection of Pupil Rights Amendment (PPRA), 20 U.S.C. § 1232h, requires school districts to notify you and obtain consent or allow you to opt your child out of participating in certain school activities. These activities include a student survey, analysis, or evaluation that concerns one or more of the following eight areas ("protected information surveys"):  
1. Political affiliations or beliefs of the student or student’s parent;  
2. Mental or psychological problems of the student or student’s family;  
3. Sex behavior or attitudes;  
4. Illegal, anti-social, self-incriminating, or demeaning behavior;  
5. Critical appraisals of others with whom respondents have close family relationships;  
6. Legally recognized privileged relationships, such as with lawyers, doctors, or ministers;  
7. Religious practices, affiliations, or beliefs of the student or student’s parents; or  
8. Income, other than as required by law to determine program eligibility.  

This requirement also applies to the collection, disclosure, or use of student information for marketing purposes ("marketing surveys"), and certain physical exams and screenings. Policies regarding these rights may be obtained from the school district/COE. Parents who believe their rights have been violated under this section may file a complaint with the Family Compliance Office, U.S. Department of Education, 400 Maryland Avenue, S.W., Washington, DC 20202-5901.

Notification of Rights under FERPA for Elementary and Secondary Schools 

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age ("eligible students") the right to access the student’s education records. Parents or eligible students should submit to the School principal [or appropriate school official] a written request that identifies the record(s) they wish to inspect. The School official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected. Additionally, parents or eligible students maintain the right to request the amendment of the student’s education records that the parent or eligible student alleges the records contain:  
1. inaccuracy, or  
2. unsubstantiated personal conclusion or inference, or  
3. conclusion or inference outside of the observer’s area of competence, or  
4. data is not based upon the personal observation of a named person with the time and place of the observation noted, or  
5. misleading information/conclusions, or  
6. violations of the student’s privacy or other rights.  

Parents should write the School principal [or appropriate school official], clearly identify the part of the record they want changed, and specify why it is inaccurate. If the School decides not to amend the record as requested by the parent or eligible student, the School will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

Parents or eligible students maintain the right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, to school officials with legitimate educational interests. A school official is a person employed by the School as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the School has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the School discloses education records without consent to officials of another school district in which a student seeks or intends to enroll. Another exception permits disclosure of appropriately designated “directory information” without written consent, unless parents have advised the School to the contrary in accordance with school district procedures. The primary purpose of directory information is to allow the School to include this type of information from a student’s education records in certain school publications (e.g., yearbooks, honor roll lists, sports activity sheets). Directory information, which is information that is not generally considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent’s prior written consent. In addition, schools are required to provide military recruiters, upon request, with secondary students’ names, addresses and telephone listings unless parents have advised the school that they do not want their student’s information disclosed without their prior consent.

ALTERNATIVE SCHOOLS

“Notice of Alternative Schools: California state law authorizes all school districts to provide for alternative schools. Section 58500 of the Education Code defines alternative school as a school or separate class group within a school which is operated in a manner designed to:

(a) Maximize the opportunity for students to develop the positive values of self-reliance, initiative, kindness, spontaneity, resourcefulness, courage, creativity, responsibility, and joy.

(b) Recognize that the best learning takes place when the student learns because of his desire to learn.

(c) Maintain a learning situation maximizing student self-motivation and encouraging the student in his own time to follow his own interests. These interests may be conceived by him totally and independently or may result in whole or in part from a presentation by his teachers of choices of learning projects.

(d) Maximize the opportunity for teachers, parents, and students to cooperatively develop the learning process and its subject matter. This opportunity shall be a continuous permanent process.

(e) Maximize the opportunity for the students, teachers, and parents to continuously react to the changing world, including but not limited to the community in which the school is located.

In the event any parent, pupil, or teacher is interested in further information concerning alternative schools, the county superintendent of schools, the administrative office of this district, and the principal’s office in each attendance unit have copies of the law available for your information. This law particularly authorizes interested persons to request the governing board of the district to establish alternative school programs in each district.”

The complaint shall be presented to the compliance officer who shall maintain a log of complaints received, providing each with a code number and a date stamp. All complaints shall be filed in writing and signed by the complainant. If a complainant is unable to put a complaint in writing due to conditions such as a disability or illiteracy, district staff shall assist him/her in the filing of the complaint. (5 CCR 4600)

Complaints shall also be filed in accordance with the following rules, as applicable:

1. A complaint alleging district violation of applicable state or federal law or regulations the programs specified in the accompanying Board policy (item #1 of the section "Complaints
Subject to the UCP") may be filed by any individual, public agency, or organization.  (5 CCR 4630)

2. Any complaint alleging noncompliance with law regarding the prohibition against requiring students to pay student fees, deposits, and charges or any requirement related to the LCAP may be filed anonymously if the complaint provides evidence, or information leading to evidence, to support an allegation of noncompliance. A complaint about a violation of the prohibition against the charging of unlawful student fees may be filed with the principal of the school or with the Superintendent or designee. However, any such complaint shall be filed no later than one year from the date the alleged violation occurred.  (Education Code 49013, 52075; 5 CCR 4630)

3. A complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) may be filed only by a person who alleges that he/she personally suffered the unlawful discrimination or by a person who believes that an individual or any specific class of individuals has been subjected to it. The complaint shall be initiated no later than six months from the date when the alleged unlawful discrimination occurred, or six months from the date when the complainant first obtained knowledge of the facts of the alleged unlawful discrimination. The time for filing may be extended for up to 90 days by the Superintendent or designee for good cause upon written request by the complainant setting forth the reasons for the extension.  (5 CCR 4630)

4. When a complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) is filed anonymously, the compliance officer shall pursue an investigation or other response as appropriate, depending on the specificity and reliability of the information provided and the seriousness of the allegation.

5. When the complainant of unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) or the alleged victim, when he/she is not the complainant, requests confidentiality, the compliance officer shall inform him/her that the request may limit the district's ability to investigate the conduct or take other necessary action. When honoring a request for confidentiality, the district shall nevertheless take all reasonable steps to investigate and resolve/respond to the complaint consistent with the request.

Mediation

Within three business days after the compliance officer receives the complaint, he/she may informally discuss with all the parties the possibility of using mediation. Mediation shall be offered to resolve complaints that involve more than one student and no adult. However, mediation shall not be offered or used to resolve any complaint involving an allegation of sexual assault or where there is a reasonable risk that a party to the mediation would feel compelled to participate. If the parties agree to mediation, the compliance officer shall make all arrangements for this process.

Before initiating the mediation of a complaint alleging retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the compliance officer shall
ensure that all parties agree to make the mediator a party to relevant confidential information. The compliance officer shall also notify all parties of the right to end the informal process at any time.

If the mediation process does not resolve the problem within the parameters of law, the compliance officer shall proceed with his/her investigation of the complaint.

The use of mediation shall not extend the district's timelines for investigating and resolving the complaint unless the complainant agrees in writing to such an extension of time. If mediation is successful and the complaint is withdrawn, then the district shall take only the actions agreed upon through the mediation. If mediation is unsuccessful, the district shall then continue with subsequent steps specified in this administrative regulation.

Investigation of Complaint

Within 10 business days after the compliance officer receives the complaint, the compliance officer shall begin an investigation into the complaint.

Within one business day of initiating the investigation, the compliance officer shall provide the complainant and/or his/her representative with the opportunity to present the information contained in the complaint to the compliance officer and shall notify the complainant and/or his/her representative of the opportunity to present the compliance officer with any evidence, or information leading to evidence, to support the allegations in the complaint. Such evidence or information may be presented at any time during the investigation.

In conducting the investigation, the compliance officer shall collect all available documents and review all available records, notes, or statements related to the complaint, including any additional evidence or information received from the parties during the course of the investigation. He/she shall individually interview all available witnesses with information pertinent to the complaint, and may visit any reasonably accessible location where the relevant actions are alleged to have taken place. At appropriate intervals, the compliance officer shall inform both parties of the status of the investigation.

To investigate a complaint alleging retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the compliance officer shall interview the alleged victim(s), any alleged offenders, and other relevant witnesses privately, separately, and in a confidential manner. As necessary, additional staff or legal counsel may conduct or support the investigation.

A complainant's refusal to provide the district's investigator with documents or other evidence related to the allegations in the complaint, failure or refusal to cooperate in the investigation, or engagement in any other obstruction of the investigation may result in the dismissal of the complaint because of a lack of evidence to support the allegation. Similarly, a respondent's refusal to provide the district's investigator with documents or other evidence related to the allegations in the complaint, failure or refusal to cooperate in the investigation, or engagement in any other obstruction of the investigation may result in a finding, based on evidence collected,
that a violation has occurred and in the imposition of a remedy in favor of the complainant. (5 CCR 4631)

In accordance with law, the district shall provide the investigator with access to records and other information related to the allegation in the complaint and shall not in any way obstruct the investigation. Failure or refusal of the district to cooperate in the investigation may result in a finding based on evidence collected that a violation has occurred and in the imposition of a remedy in favor of the complainant. (5 CCR 4631)

The compliance officer shall apply a "preponderance of the evidence" standard in determining the veracity of the factual allegations in a complaint. This standard is met if the allegation is more likely to be true than not.

Report of Findings

Unless extended by written agreement with the complainant, a final decision shall be sent to the complainant within 60 calendar days of the district's receipt of the complaint. Within 30 calendar days of receiving the complaint, the compliance officer shall prepare and send to the complainant a written report, as described in the section "Final Written Decision" below. If the complainant is dissatisfied with the compliance officer's decision, he/she may, within five business days, file his/her complaint in writing with the Board.

The Board may consider the matter at its next regular Board meeting or at a special Board meeting convened in order to meet the 60-day time limit within which the complaint must be answered. When required by law, the matter shall be considered in closed session. The Board may decide not to hear the complaint, in which case the compliance officer's decision shall be final.

If the Board hears the complaint, the compliance officer shall send the Board's decision to the complainant within 60 calendar days of the district's initial receipt of the complaint or within the time period that has been specified in a written agreement with the complainant. (5 CCR 4631)

In resolving any complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, and bullying), the respondent also shall be sent the district's decision and, in the same manner as the complainant, may file a complaint with the Board if dissatisfied with the decision.

Final Written Decision

The district's decision on how it will resolve the complaint shall be in writing and shall be sent to the complainant and respondent. (5 CCR 4631)

In consultation with district legal counsel, information about the relevant part of a decision may be communicated to a victim who is not the complainant and to other parties who may be involved in implementing the decision or are affected by the complaint, as long as the privacy of the parties is protected. In a complaint alleging unlawful discrimination (such as discriminatory
harassment, intimidation, and bullying), notice of the district's decision to the alleged victim shall include information about any sanction to be imposed upon the respondent that relates directly to the alleged victim.

If the complaint involves a limited-English-proficient student or parent/guardian and the student involved attends a school at which 15 percent or more of the students speak a single primary language other than English, then the decision shall also be translated into that language. In all other instances, the district shall ensure meaningful access to all relevant information for parents/guardians with limited English proficiency.

For all complaints, the decision shall include: (5 CCR 4631)

1. The findings of fact based on the evidence gathered. In reaching a factual determination, the following factors may be taken into account:
   a. Statements made by any witnesses
   b. The relative credibility of the individuals involved
   c. How the complaining individual reacted to the incident
   d. Any documentary or other evidence relating to the alleged conduct
   e. Past instances of similar conduct by any alleged offenders
   f. Past false allegations made by the complainant
2. The conclusion(s) of law
3. Disposition of the complaint
4. Rationale for such disposition

For complaints of retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the disposition of the complaint shall include a determination for each allegation as to whether retaliation or unlawful discrimination has occurred.

The determination of whether a hostile environment exists may involve consideration of the following:

a. The manner in which the misconduct affected one or more students' education
b. The type, frequency, and duration of the misconduct
c. The relationship between the alleged victim(s) and offender(s)
d. The number of persons engaged in the conduct and at whom the conduct was directed

e. The size of the school, location of the incidents, and context in which they occurred

f. Other incidents at the school involving different individuals

5. Corrective action(s), including any actions that have been taken or will be taken to address the allegations in the complaint and including, with respect to a student fees complaint, a remedy that comports with Education Code 49013 and 5 CCR 4600

   For complaints of unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the decision may, as required by law, include:

   a. The corrective actions imposed on the respondent

   b. Individual remedies offered or provided to the complainant or another person who was the subject of the complaint, but this information should not be shared with the respondent.

   c. Systemic measures the school has taken to eliminate a hostile environment and prevent recurrence

6. Notice of the complainant's and respondent's right to appeal the district's decision to CDE within 15 calendar days, and procedures to be followed for initiating such an appeal

The decision may also include follow-up procedures to prevent recurrence or retaliation and for reporting any subsequent problems.

For complaints alleging unlawful discrimination based on state law (such as discriminatory harassment, intimidation, and bullying), the decision shall also include a notice to the complainant that:

1. He/she may pursue available civil law remedies outside of the district's complaint procedures, including seeking assistance from mediation centers or public/private interest attorneys, 60 calendar days after the filing of an appeal with CDE. (Education Code 262.3)

2. The 60 days moratorium does not apply to complaints seeking injunctive relief in state courts or to discrimination complaints based on federal law. (Education Code 262.3)

3. Complaints alleging discrimination based on race, color, national origin, sex, gender, disability, or age may also be filed with the U.S. Department of Education, Office for Civil Rights at www.ed.gov/ocr within 180 days of the alleged discrimination.

Corrective Actions

When a complaint is found to have merit, the compliance officer shall adopt any appropriate corrective action permitted by law. Appropriate corrective actions that focus on the larger school
or district environment may include, but are not limited to, actions to reinforce district policies; training for faculty, staff, and students; updates to school policies; or school climate surveys.

For complaints involving retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), appropriate remedies that may be offered to the victim but not communicated to the respondent may include, but are not limited to, the following:

1. Counseling
2. Academic support
3. Health services
4. Assignment of an escort to allow the victim to move safely about campus
5. Information regarding available resources and how to report similar incidents or retaliation
6. Separation of the victim from any other individuals involved, provided the separation does not penalize the victim
7. Restorative justice
8. Follow-up inquiries to ensure that the conduct has stopped and there has been no retaliation
9. Determination of whether any past actions of the victim that resulted in discipline were related to the treatment the victim received and described in the complaint

For complaints involving retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), appropriate corrective actions that focus on a student offender may include, but are not limited to, the following:

1. Transfer from a class or school as permitted by law
2. Parent/guardian conference
3. Education regarding the impact of the conduct on others
4. Positive behavior support
5. Referral to a student success team
6. Denial of participation in extracurricular or co-curricular activities or other privileges as permitted by law
7. Disciplinary action, such as suspension or expulsion, as permitted by law

When an employee is found to have committed retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the district shall take appropriate disciplinary action, up to and including dismissal, in accordance with applicable law and collective bargaining agreement.

The district may also consider training and other interventions for the larger school community to ensure that students, staff, and parents/guardians understand the types of behavior that constitute unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), that the district does not tolerate it, and how to report and respond to it.

When a complaint is found to have merit, an appropriate remedy shall be provided to the complainant or other affected person.

If a complaint alleging noncompliance with the laws regarding student fees, deposits, and other charges, physical education instructional minutes for students in elementary schools, or any requirement related to the LCAP is found to have merit, the district shall provide a remedy to all affected students and parents/guardians subject to procedures established by regulation of the State Board of Education. (Education Code 49013, 51223, 52075)

For complaints alleging noncompliance with the laws regarding student fees, the district shall attempt in good faith, by engaging in reasonable efforts, to identify and fully reimburse all affected students and parents/guardians who paid the unlawful student fees within one year prior to the filing of the complaint. (Education Code 49013; 5 CCR 4600)

Appeals to the California Department of Education

Any complainant who is dissatisfied with the district's final written decision of a complaint regarding any specified federal or state educational program subject to the UCP may file an appeal in writing with CDE within 15 calendar days of receiving the district's decision. (Education Code 222, 48853, 48853.5, 49013, 49069.5, 51223, 51225.1, 51225.2, 51228.3, 52075; 5 CCR 4632)

When a respondent in any complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, and bullying) is dissatisfied with the district's final written decision, he/she, in the same manner as the complainant, may file an appeal with CDE.

The complainant or respondent shall specify the basis for the appeal of the decision and how the facts of the district's decision are incorrect and/or the law has been misapplied. The appeal shall be sent to CDE with a copy of the original locally filed complaint and a copy of the district's decision in that complaint. (5 CCR 4632)

Upon notification by CDE that the complainant or respondent has appealed the district's decision, the Superintendent or designee shall forward the following documents to CDE: (5 CCR 4633)
1. A copy of the original complaint

2. A copy of the written decision

3. A summary of the nature and extent of the investigation conducted by the district, if not covered by the decision

4. A copy of the investigation file including, but not limited to, all notes, interviews, and documents submitted by the parties and gathered by the investigator

5. A report of any action taken to resolve the complaint

6. A copy of the district's uniform complaint procedures

7. Other relevant information requested by CDE

Administrative Regulation
Sexual Harassment

AR 4119.11
Personnel

This administrative regulation shall apply to all allegations of sexual harassment involving employees, interns, volunteers, and job applicants, but shall not be used to resolve any complaint by or against a student.

Definitions

Prohibited sexual harassment includes, but is not limited to, unwelcome sexual advances, unwanted requests for sexual favors, or other unwanted verbal, visual, or physical conduct of a sexual nature made against another person of the same or opposite sex in the work or educational setting when: (Education Code 212.5; Government Code 12940; 2 CCR 11034)

1. Submission to the conduct is made explicitly or implicitly a term or condition of the individual's employment.

2. Submission to or rejection of the conduct is used as the basis for an employment decision affecting the individual.

3. Submission to or rejection of the conduct is used as the basis for any decision affecting the individual regarding benefits, services, honors, programs, or activities available at or through the district.

Prohibited sexual harassment also includes conduct which, regardless of whether or not it is motivated by sexual desire, is so severe or pervasive as to unreasonably interfere with the victim's work performance or create an intimidating, hostile, or offensive work environment.

Examples of actions that might constitute sexual harassment in the work or educational setting, whether committed by a supervisor, a co-worker, or a non-employee, include, but are not limited to:

1. Unwelcome verbal conduct such as sexual flirtations or propositions; graphic comments about an individual's body; overly personal conversations or pressure for sexual activity; sexual jokes or stories; unwelcome sexual slurs, epithets, threats, innuendoes, derogatory comments, sexually degrading descriptions, or the spreading of sexual rumors

2. Unwelcome visual conduct such as drawings, pictures, graffiti, or gestures; sexually explicit emails; displaying sexually suggestive objects
3. Unwelcome physical conduct such as massaging, grabbing, fondling, stroking, or brushing the body; touching an individual's body or clothes in a sexual way; cornering, blocking, leaning over, or impeding normal movements

Training

The Superintendent or designee shall ensure that all employees receive training regarding the district's sexual harassment policies when hired and periodically thereafter. The training shall include how to recognize prohibited or harassing conduct, the procedures for reporting and/or filing complaints involving an employee, employees' duty to use the district's complaint procedures, and employee obligations when a sexual harassment report involving a student is made to the employee. The training shall also include information about processes for employees to informally share or obtain information about harassment without filing a complaint.

(cf. 1312.3 - Uniform Complaint Procedures)
(cf. 4030 - Nondiscrimination in Employment)
(cf. 5145.7 - Sexual Harassment)

Every two years, the Superintendent or designee shall ensure that supervisory employees receive at least two hours of classroom or other effective interactive training and education regarding sexual harassment. All such newly hired or promoted employees shall receive training within six months of their assumption of the new position. (Government Code 12950.1)

A supervisory employee is any employee having the authority, in the interest of the district, to hire, transfer, suspend, lay off, promote, discharge, assign, reward, or discipline other employees, or the responsibility to direct them, adjust their grievances, or effectively recommend such action, when the exercise of the authority is not of a merely routine or clerical nature, but requires the use of independent judgment. (Government Code 12926)

(cf. 4300 - Administrative and Supervisory Personnel)

The district's sexual harassment training and education program for supervisory employees shall be aimed at assisting them in preventing and effectively responding to incidents of sexual harassment, as well as implementing mechanisms to promptly address and correct wrongful behavior. The training shall include, but is not limited to, the following: (Government Code 12950.1; 2 CCR 11024)

1. Information and practical guidance regarding federal and state laws on the prohibition, prevention, and correction of sexual harassment, the remedies available to sexual harassment victims in civil actions, and potential district and/or individual exposure or liability

2. The types of conduct that constitute sexual harassment and practical examples which illustrate sexual harassment, discrimination, and retaliation using training modalities such as role plays, case studies, and group discussions, based on factual scenarios taken from case law, news and media accounts, and hypotheticals based on workplace situations and other sources
3. A supervisor's obligation to report sexual harassment, discrimination, and retaliation of which he/she becomes aware and what to do if the supervisor himself/herself is personally accused of harassment

4. Strategies for preventing harassment, discrimination, and retaliation and appropriate steps to ensure that remedial measures are taken to correct harassing behavior, including an effective process for investigation of a complaint

5. CAUTION—PESTICIDES ARE TOXIC CHEMICALS.

Structural pest control companies are registered and regulated by the Structural Pest Control Board, and apply pesticides which are registered and approved for use by the California Department of Pesticide Regulation and the United States Environmental Protection Agency. Registration is granted when the State finds that based on existing scientific evidence there are no appreciable risks if proper use conditions are followed or that the risks are outweighed by the benefits. The degree of risk depends upon the degree of exposure, so exposure should be minimized.

If you or your child experience symptoms of dizziness, headache, nausea, reduced awareness, slowed movement, garbled speech or difficulty in breathing, leave the structure immediately and seek medical attention by contacting your physician or Poison Control Center (telephone number listed below) and notify your pest control company.

SILVER FORK ELEMENTARY SCHOOL DISTRICT

ADVISORY TO ALL PARENTS

Dear Parent/Guardian:

In accordance with AB 2260, Silver Fork Elementary School District has adopted an Integrated Pest Management Program. Inherent within this are the District’s efforts to reduce pesticide use as much as possible. While it may be occasionally necessary to apply a pesticide, it will only be used as a last resort.

Pursuant to the Healthy Schools Act of 2000 (Assembly Bill 2260), you as a parent have the right to be informed prior to the application of any pesticide at your children’s school. AB 2260 shall not apply to a pesticide product deployed in the form of a self-contained bait or trap and gel or paste baits if applied as a crack and crevice treatment. In the event of an emergency, pesticides may be applied without prior notice, but notice will be posted following any such application. We will notify you through the weekly news notes at each site. To receive notification of a pesticide application, please complete the following information. If this form is not returned, it will be assumed that there is no need to notify you.

Assembly Bill 2260 also requires that you as a parent receive a list of materials that may be used at any school site at least once a year. This list is called the Annual Pesticide Notification Form and is included in this packet.

If you have any questions or concerns about pest management in the Silver Fork School District, please contact:

Pat Atkins, Superintendent
Pollock Pines School District
530 644-5416

Please cut here and return bottom portion.

If you desire notification of a pesticide application, please fill out and return to your child’s school.

“Know Your Rights”

Your Child has the Right to a Free Public Education

Bullying

BP 5131.2
Students

The Board of Trustees recognizes the harmful effects of bullying on student learning and school attendance and desires to provide a safe school environment that protects students from physical and emotional harm. District employees shall establish student safety as a high priority and shall not tolerate bullying of any student.

No individual or group shall, through physical, written, verbal, or other means, harass, sexually harass, threaten, intimidate, retaliate, cyberbully, cause bodily injury to, or commit hate violence against any student or school personnel.

(cf. 5131 - Conduct)
(cf. 5136 - Gangs)
(cf. 5145.3 - Nondiscrimination/Harassment)
(cf. 5145.7 - Sexual Harassment)
(cf. 5145.9 - Hate-Motivated Behavior)

Cyberbullying includes the electronic creation or transmission of harassing communications, direct threats, or other harmful texts, sounds, or images as defined in Education Code 48900. (cf. 5145.2 - Freedom of Speech/Expression)
(cf. 6163.4 - Student Use of Technology)

Strategies for addressing bullying in district schools shall be developed with involvement of key stakeholders, including students, parents/guardians, and staff, and may be incorporated into the comprehensive safety plan, the local control and accountability plan, and other applicable district and school plans.

(cf. 0420 - School Plans/Site Councils)
(cf. 0450 - Comprehensive Safety Plan)
(cf. 0460 - Local Control and Accountability Plan)
(cf. 1220 - Citizen Advisory Committees)
(cf. 6020 - Parent Involvement)

As appropriate, the Superintendent or designee may collaborate with law enforcement, courts, social services, mental health services, other agencies, and community organizations in the development and implementation of joint strategies to promote safety in schools and the
community and to provide services for alleged victims and perpetrators of bullying.

(cf. 1020 - Youth Services)

Bullying Prevention

To the extent possible, district schools shall focus on the prevention of bullying by establishing clear rules for student conduct and implementing strategies to promote a positive, collaborative school climate. Students shall be informed, through student handbooks and other appropriate means, of district and school rules related to bullying, mechanisms available for reporting incidents or threats, and the consequences for engaging in bullying.

(cf. 5137 - Positive School Climate)

As appropriate, the district shall provide students with instruction, in the classroom or other educational settings, that promotes social-emotional learning, effective communication and conflict resolution skills, character/values education, respect for cultural and individual differences, self-esteem development, assertiveness skills, and appropriate online behavior.

(cf. 6142.8 - Comprehensive Health Education)
(cf. 6142.94 - History-Social Science Instruction)

Such instruction shall also educate students about the negative impact of bullying, discrimination, intimidation, and harassment based on actual or perceived immigration status, religious beliefs and customs, or any other individual bias or prejudice.

The Superintendent or designee shall provide training to teachers and other school staff to raise their awareness about the legal obligation of the district and its employees to prevent discrimination, harassment, intimidation, and bullying of district students. Such training shall be designed to provide staff with the skills to:

1. Discuss the diversity of the student body and school community, including their varying immigration experiences

2. Discuss bullying prevention strategies with students, and teach students to recognize the behavior and characteristics of bullying perpetrators and victims

3. Identify the signs of bullying or harassing behavior

4. Take immediate corrective action when bullying is observed

5. Report incidents to the appropriate authorities, including law enforcement in instances of criminal behavior

(cf. 4131 - Staff Development)
(cf. 4231 - Staff Development)
Based on an assessment of bullying incidents at school, the Superintendent or designee may increase supervision and security in areas where bullying most often occurs, such as classrooms, playgrounds, hallways, restrooms, and cafeterias.

Intervention

Students are encouraged to notify school staff when they are being bullied or suspect that another student is being victimized. In addition, the Superintendent or designee shall develop means for students to report threats or incidents confidentially and anonymously.

School staff who witness an act of bullying shall immediately intervene to stop the incident when it is safe to do so. (Education Code 234.1)

When appropriate based on the severity or pervasiveness of the bullying, the Superintendent or designee shall notify the parents/guardians of victims and perpetrators and may contact law enforcement.

The Superintendent, principal, or principal's designee may refer a victim, witness, perpetrator, or other student affected by an act of bullying to a school counselor, school psychologist, social worker, child welfare attendance personnel, school nurse, or other school support service personnel for case management, counseling, and/or participation in a restorative justice program as appropriate. (Education Code 48900.9)

Reporting and Filing of Complaints

Any student, parent/guardian, or other individual who believes that a student has been subjected to bullying or who has witnessed bullying may report the incident to a teacher, the principal, a compliance officer, or any other available school employee. Within one business day of receiving such a report, a staff member shall notify the principal of the report, whether or not a uniform complaint is filed. In addition, any school employee who observes an incident of bullying involving a student shall, within one business day, report his/her observation to the principal or a district compliance officer, whether or not the alleged victim files a complaint.

Within two business days of receiving a report of bullying, the principal shall notify the district compliance officer identified in AR 1312.3 - Uniform Complaint Procedures.

When the circumstances involve cyberbullying, individuals with information about the activity shall be encouraged to save and print any electronic or digital messages that they feel constitute cyberbullying and to notify a teacher, the principal, or other employee so that the matter may be investigated. When a student uses a social networking site or service to bully or harass another
student, the Superintendent or designee may file a request with the networking site or service to suspend the privileges of the student and to have the material removed.

When a report of bullying is submitted, the principal or a district compliance officer shall inform the student or parent/guardian of the right to file a formal written complaint in accordance with AR 1312.3. The student who is the alleged victim of the bullying shall be given an opportunity to describe the incident, identify witnesses who may have relevant information, and provide other evidence of bullying.

Investigation and Resolution of Complaints

Any complaint of bullying shall be investigated and, if determined to be discriminatory, resolved in accordance with law and the district’s uniform complaint procedures specified in AR 1312.3.

If, during the investigation, it is determined that a complaint is about nondiscriminatory bullying, the principal or designee shall inform the complainant and shall take all necessary actions to resolve the complaint.

Discipline

Corrective actions for a student who commits an act of bullying of any type may include counseling, behavioral intervention and education, and, if the behavior is severe or pervasive as defined in Education Code 48900, may include suspension or expulsion in accordance with district policies and regulations.
