THE DISTRICT

The Pollock Pines Elementary School District is a K-8 district in El Dorado County, with an enrollment of approximately 600 students. There are two schools in the district: Pinewood School (K-4), and Sierra Ridge Middle School (5-8). The district has an outstanding spirit of teamwork and cooperation between staff, administration, and the Board of Trustees. An emphasis on continual improvement of the schools, curriculum, and instructional practices is present. Sly Park Recreation Area, which includes boating, fishing, swimming, and camping is located in the district.

THE COMMUNITY

The school district serves three unincorporated communities - Cedar Grove, Fresh Pond, and Pollock Pines.

Pollock Pines is on Highway 50 halfway between Sacramento and South Lake Tahoe. Highway 50, the main Sacramento to South Lake Tahoe artery, bisects the community.

Residents are attracted to the area because of its beauty, ideal four-season climate, including snow, relaxed life style, recreation opportunities, and access to Sacramento and the Lake Tahoe area. A high percentage of residents commutes "down the hill" to the Sacramento area for employment. Others are employed by construction trades, governmental agencies, timber industries, small business, or operate personal businesses out of their home.

Sly Park Recreation Area, which includes boating, fishing, swimming, and camping is located in the district.
